

# Healthy Land, Healthy Horses Seminar and property planning day with Stuart Myers

These two FREE events are for horse owners of small to medium sized properties in the Port Phillip catchment looking to learn about sustainable land management practices that support healthy horses

- **Day 1 – Health Land, Healthy Horses Seminar**

9:30am – 4:00pm, Sunday 26 November  
Kerrie Hall, 6 Kerrie Valley Road

Internationally acclaimed author and expert on horse property management, **Stuart Myers** will be delivering a seminar on how you can manage your land in a sustainable and cost effective way and encourage healthy, happy horses. Topics covered will include: horse health and behaviour, pasture improvement and grazing management, property design, manure management, weed and native vegetation management, and protection of creeks and water sensitive areas.

- **Day 2 – Property Planning Day**

9:30 – 4:00pm, Sunday 3 December  
Kerrie Hall, 6 Kerrie Valley Road

**Stuart Myers**, along with representatives from Macedon Ranges Shire Council and Melbourne Water will be working with **10** horse property owners/managers to help them develop a plan for their property based on the practices covered during Day 1. Large aerial maps of each property will be provided for participants to draw up their plan. The day will finish with a farm walk at a local property to demonstrate some of the practices and topics covered. **PLEASE NOTE attendance at a Healthy Land, Healthy Horses Seminar is a prerequisite to attending the Property Planning Day (Day 2).**
