Artwork by Taungurung artist Maddi Moser

“Both artworks talk about our connection, connection to Country, connection to places and connection to each other. This is signified by the whimsical circles that form the ‘rivers; that wrap around our lands and ourselves. It reminds us that we should look out for one another.”

Small Project Grants

Small Project Grants fund public money to not-for-profit community groups and non-government and government schools for programs and initiatives that benefit residents of the Macedon Ranges and help achieve Council Plan goals.

The aim of the Small Project Grants program is to support initiatives which:

- a) support local needs
- b) are unlikely to be funded by other Council funding programs
- c) align with the Council plan priorities of:
 - Connecting Communities
 - Healthy Environment, Healthy People.

Opening and closing dates

Applications can be submitted online at any time, except during the caretaker period during a Council election year. Please note, once the programs annual budget (listed below) has been exhausted, no further applications will be accepted until the new financial year.

Please also note that from the point at which you submit your application, the assessment/approval process (including endorsement at a Scheduled Council Meeting) may take up to a maximum of eight weeks. Please refer to [Council's website](#) for submission dates for each Council meeting.

How much is available?

The Small Project Grants budget for 2024/25 is \$30,000.

The program provides grants of up to \$3,000 per project to eligible groups for community programs and initiatives.

Who can apply?

Incorporated, community-based not-for-profit groups operating or being established in the Macedon Ranges can submit one application per year.

Incorporated organisations who act as an auspice for another community group for the purpose of this grant may also submit one application for their own organisation per year, in addition to their auspice arrangements.

We welcome applications from all not-for-profit community groups and encourage LGBTQIA+, First Nations and groups who have not applied for funding previously to apply.

Auspicings

If you are unincorporated you will need to find an incorporated organisation willing to act as an auspice for the purpose of this grant. Please refer to [Section 6 - Legal Requirements](#).

Legal requirements

Incorporation status

Applicants must be registered as an incorporated body or arrange for a legally constituted not-for-profit organisation to manage (auspice) the funds.

Council does not auspice applicants.

For more information on auspice arrangements visit the [Not-for-profit Law Information Hub](#).

Child safe standards

Macedon Ranges Shire Council is committed to a zero tolerance approach to child abuse, through actively promoting child safety and ensuring compliance with the Victorian Child Safe Standards. Victorian organisations that provide services to children are required, under the *Child Safety and Wellbeing Act 2005*, to ensure that they implement compulsory child safe standards to protect children from harm.

As a Child Safe organisation, Council requires that all grant applicants demonstrate their compliance with the Victorian Child Safe Standards and read/understand Council's Child Safety and Wellbeing Policy and Code of Conduct, available from [Council's website](#). Within the application form, applicants will be required to identify whether their project involves direct or incidental contact with children and young people, and complete either a Child Safe Statement of Commitment or submit their Child Safe Policy and a Child Safe Direct Contact Checklist.

Please note: If your organisation is auspiced for the purpose of this grant, the auspice organisation will also need to meet the Child Safe Standards.

More details on the Child Safe Standards can be found on the [Commission for Children and Young People website](#).

Public liability insurance

Public liability insurance covers incidents that occur during an activity being conducted by a group. All groups must be covered by public liability insurance and be able to provide a valid certificate of currency.

It is the responsibility of the applicant or recipient to arrange appropriate insurance.

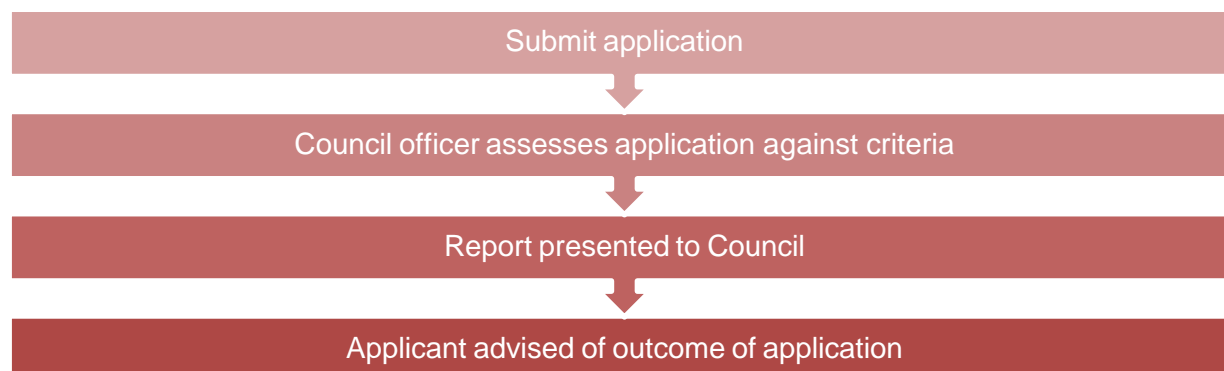

Groups without public liability insurance will need an auspice with public liability insurance or can contact Local Community Insurance which offers an affordable public liability scheme for not-for-profit community groups.

What is the application process?

The application process involves a panel assessment with recommendations sent to a Scheduled Council Meeting for endorsement. Depending on when an application is received during Council's reporting cycle, the entire process may take up to a maximum of eight weeks.

All applicants receive an email of acknowledgement through Council's online grants management system (SmartyGrants) once their application is submitted.

Chart 1: Application process

How are applications assessed?

Eligible applications are assessed by a panel of staff across the organisation, based on responses provided in the application form. Eligibility does not guarantee funding.

All applications are scored based on the weighted assessment criteria. An application that scores 50 (out of 100) and below will not be recommended for funding and will not be forwarded to Council for consideration. Officers will work with the applicant to explore the possibility of strengthening their application which may result in re-submitting the application.

Funding recommendations are presented to Council for approval.

Council reserves the right to exercise judgement on the appropriateness of funding eligibility criteria in respect to contentious, topical or contemporary issues, or where the project may be perceived to be in conflict with Council objectives, plans, or the wider wellbeing of its residents.

Council decisions are final. Applicants who wish to discuss the outcome of their application are encouraged to contact Council's Coordinator Community Development.

Unsuccessful applications

The assessment process is rigorous and objective - the scoring matrix available on Council's website is used to assess applications to a consistent and fair standard.

Your activity/project may not receive funding for a variety of reasons. These are some common reasons for an application not being recommended for funding:

- the project is ineligible (refer to Section 5)
- the application scored 50 or below out of 100 (refer to Section 14).

What we are looking for in the applications

The table below outlines the scoring for each criteria. Referring to this and the details contained in the scoring matrix at the end of these guidelines will help you develop a strong application.

Table 1. Assessment criteria

Weighting	Criteria	What we are looking for
30%	Evidence of need	Statement of need Letters of support Unlikely to be funded by other funding programs
20%	Alignment to Council priorities	Demonstrated relationship to Council priorities Alignment to Council's wellbeing, environment or reconciliation priorities
30%	Community benefit	Number of people participating in project Number of people benefiting from project Impact of the community benefit Improving gender equity outcomes
20%	Ability to deliver project	Demonstrate sound budget Demonstrate good project planning Demonstrate good risk management

What will strengthen my application?

- Applications that address Council's wellbeing and environmental priorities will score more highly than those that do not. Please refer to page 12 of the Municipal Public Health and Wellbeing Plan 2021-2025 and page 3 of the Environment Strategy. Your application should clearly state how your project or initiative will support/contribute to this priority.
- Applications that consider gender equity and accessibility for diverse community groups and those that advance reconciliation and/or celebrate First Nations Peoples will score more highly than those that do not.
